### ***EDUCATION***

- 2007-present Boston University** Boston, MA, USA
- Doctoral candidate in Political Science (A.B.D.)
  - GPA: 4.00/4.00
  - Functional Concentration: International Relations, Comparative Politics
  - Regional Concentration: South Asia
  - Dissertation: 'Explaining Pakistan's Democratic Failure: Why the Cycle?'  
It focuses on the cyclical pattern between democratic and authoritarian rule in Pakistan and attempts to identify the factors responsible for the 'cycle'.
- 2002-2003 Boston University** Boston, MA, USA
- Master of Arts in International Relations, December 2003
  - Cumulative GPA: 3.96/4.00
  - Thesis Topic: Pakistan's Nuclear Policy: Where is it Headed?
- 1999-2002 Shorter College** Rome, GA, USA
- Bachelor of Administration-Economics Track, Summa Cum Laude, May 2002
  - Cumulative GPA: 3.93/4.00; Major GPA: 4.00/4.00.
  - Senior thesis topic: The Road to September 11, 2001 and Beyond
- 

### ***RECENT PROFESSIONAL AFFILIATIONS***

- South Asia Advisor, United States Institute of Peace
  - Fellow, Frederick S. Pardee Center, Boston University
  - Senior Teaching Fellow and Doctoral candidate, Department of Political Science, Boston University
  - Research Fellow, Consortium for Energy Policy Research, Mossavar-Rahmani Center for Business and Government, Harvard Kennedy School, Harvard University
  - Program Affiliate, Project on State-Building and Human Rights in Afghanistan and Pakistan, Carr Center for Human Rights Policy, Harvard Kennedy School, Harvard University
  - Founding Director and Research Fellow, Strategic and Economic Policy Research, Pakistan
  - Visiting Associate, Sustainable Development Policy Institute, Pakistan
- 

### ***PROFESSIONAL MEMBERSHIPS***

- Project on Nuclear Issues, Center for Strategic and International Studies, USA
  - International Studies Association
  - International Political Science Association (Co-convener, Research Committee on Military Rule and Democratization in the Third World)
  - American Political Science Association
  - Pugwash International
  - South Asian Network for Development and Environmental Economics
- 

### ***PROFESSIONAL EXPERIENCE***

- Jan 09-present **United States Institute of Peace** Washington, DC, USA  
*South Asia Advisor*
- Managing the Pakistan Program at the Institute

## MOEED WASIM YUSUF

- Responsibilities include designing the program, overseeing and implementing policy relevant projects, conducting independent research on issues relevant to the Pakistan-US relationship, and conceptualizing public events and track-II dialogues.
- Current research projects include: Youth perceptions in Pakistan and Future of Democratic Institutions in Pakistan.

Jun 08- Dec 09 **Fredrick S. Pardee Center, Boston University** Boston, MA, USA

*Fellow*

- Researched issues relevant to political economy of development and South Asian strategic affairs
- Projects included: Pros and Cons of Community Involvement in Targeting of International Development, The Future of Nuclear Energy, The Future of the Kashmir Dispute (co-authored), and a co-authored book project on *Pakistan's Futures*
- Project coordinator for Center's Project, *South Asia 2060*.

Nov 08-Dec 09 **Harvard Kennedy School, Harvard University** Cambridge, MA, USA

*Research Fellow*

- Worked at the Consortium for Energy Policy Research hosted by the Mossavar-Rahmani Center for Business and Government
- Involved in designing graduate courses in Energy Policy and Geopolitics of Energy
- Advised(ing) Kennedy school graduate students working on Energy Policy projects for two graduate level seminars

May 07-Dec 09 **Strategic and Economic Policy Research** Islamabad, Pakistan

*Research Fellow*

- I am one of the founding Directors of this private sector economic and strategic consultancy organization
- Researched issues of economic and strategic importance to Pakistan
- Completed projects: Prospects of Economic facilitation across the LoC in Kashmir (*for Pugwash International*) and Crisis Behavior Under the Nuclear Umbrella: The Case of India and Pakistan (*Boston University*).

Jun-Aug 07 **Brookings Institution** Washington, DC, USA

*Special Guest*

- Involved in the Institute's Nuclear non-proliferation project which focused on the future of nuclear weapons proliferation and the role of the second age nuclear powers in this regard
- Wrote several commentaries on Pakistan-US relations, Pakistan's role in the War on Terror, the safety and security of Pakistan's nuclear weapons
- Wrote monograph length manuscripts on "Potential for Youth Radicalization in Pakistan" and "Predicting Proliferation: The History of the Future of Nuclear Weapons"

Jan 04-Apr. 07 **Sustainable Development Policy Institute (SDPI)** Islamabad, Pakistan

*Consultant – Expert on Economic Policy*

- Researching political economy and security issues related to South Asia. Projects included political economy of development in Pakistan, poverty targeting, Pakistan's macro-economy, domestic, regional and bilateral trade, and the link between conflict and economic interdependence. Security concerns included Kashmir conflict, India's role in the Indian Ocean, and U.S. policy towards South Asia.

## MOEED WASIM YUSUF

- Part of the SDPI team that provides regular political, security, and economic updates for the Swiss Development Corporations's "MERV analysis".
- Actively involved in capacity building as the Trade Knowledge Network Coordinator for South Asia. The program was sponsored by the International Institute for Sustainable Development.

May-Sept 2003 **The Brookings Institution**

Washington, DC

- Worked with South Asia expert, Dr. Stephen P. Cohen, on Pakistan-India relations and the prospects of nuclear stability in South Asia.
  - Specific research topics included: South Asian nuclear weapons and the "stability-instability paradox," relevance of nuclear deterrence versus nuclear proliferation in South Asia, global non-proliferation regime, the Kashmir dispute, United States policy towards South Asia, and the North Korean nuclear crisis.
  - Assisted Dr. Cohen in his latest book on Pakistan "The Idea of Pakistan".
- 

### **CONSULTING EXPERIENCE**

#### **Completed Projects**

Dec-July 09

**United States Institute for Peace**

Washington, DC

- Analyzed the viability of recent advances in the economic relationship between Pakistani and Indian Kashmir
- *Economic Interdependence in Kashmir*: The study focuses on understanding the recent moves by Kashmiri authorities to expand economic interaction across the Line of Control. Specifically, we aim to study the Joint Chamber of Commerce set up to achieve this end. The end product will be a policy brief recommending means to maximize gains from this move.

Sep-Dec 07

**Sungi Development Foundation / Ministry of Environment**

Islamabad, Pakistan

- Developed a concept paper for a national level consultation on the prospects of Public-Private Partnerships (PPPs) in Pakistan's forest sector held collaboratively by Sungi Development Foundation and the Ministry of Environment and sponsored by the Food and Agriculture Organization
- Co-authored the draft for Pakistan's PPP strategy in the forest sector
- *Incentivizing PPPs in the Forest Sector*: The concept paper was meant to be a thought piece that provided the theoretical underpinning for instituting PPPs in Pakistan's forest sector and presented a number of potential avenues where private sector involvement could bring commercial and environmental benefits

Aug 06-Jan 07 **Asian Development Bank**

Islamabad, Pakistan

- Conducted a research study under a Technical Assistance Grant executed by the Economic Affairs Division, Government of Pakistan.
- *Supporting Poverty Reduction Initiatives in Pakistan*: The study looks at poverty alleviation programs in Pakistan that involve a targeting exercise. The aim is to learn from international experiences to determine the optimal targeting methodology for Pakistan and highlight the key weaknesses in the current targeting approaches. The project's policy implication links up to the ongoing efforts at making poverty alleviation and development efforts successful in the insurgency-laden North West of the country.

Aug 06-May 07 **Innovative Development Strategies**

Islamabad, Pakistan

- Part of a team of international consultants conducting a research project for the Ministry of Commerce, Government of Pakistan

## MOEED WASIM YUSUF

- *Domestic Commerce Policy for Pakistan*: The Ministry of Commerce is in the process of developing the domestic commerce policy for Pakistan. I am one of the nine lead consultants working on drafting the policy, focusing on the role of the transport sector in domestic commerce.

- Sep-Dec. 06     **Duryog Nivaran and Practical Action**     Colombo, Sri Lanka
- Author of the country chapter focusing on Pakistan for the “South Asia Disaster Report 2007”
  - Chapter focuses on “Disaster and Development Linkages in Pakistan”.
- Aug-Sep 06     **UNESCO**     Islamabad, Pakistan
- Working on a research project on educational governance under a sub-contracted arrangement with principal international consultant, Dr. Randy Hatfield
  - *Strategic Framework for Educational Governance: The Case of Teacher Training*: This sub-contracted study looked at the issue of governance in teacher training in Pakistan. The aim was to highlight the current shortcomings and the institutional maze that exists in the teacher-training set-up and provide concrete recommendations to develop a strategic framework for training of teachers in the country.
- 

### ***TEACHING EXPERIENCE***

- Nov 2009     **Center of Excellence- Defense Against Terrorism (COE-DAT)**     Ankara, Turkey
- Lecturer on a course on “Preventing WMD Terrorism” involving NATO military officers and experts
  - Delivered lectures on “Implications of WMDs in South West Asia: Pakistan and India” and “Role of Armed Forces in Preventing WMD Terrorism”
- Jun-Dec 2009     **Boston University**     Boston, MA, USA  
*Instructor*
- Teaching undergraduate courses on International Political Economy and Introduction to Political Science at the Department of Political Science
  - The IPE course is pitched at upper classmen while the Political Science course enrolls sophomores and freshmen for the most part. The usual strength is 40 and 20 students respectively
- Aug 07-May 09     **Boston University**     Boston, MA, USA  
*Teaching Fellow*
- Led undergraduate courses in Introduction to International Relations and American Politics on a self-designed discussion format at the Department of Political Science at Boston University
  - Both courses are pitched at the freshmen level and enroll above 200 students each semester
- Fall 2006     **Quaid-i-Azam University**     Islamabad, Pakistan  
*Visiting Lecturer*
- Taught graduate level course on Defense Economics at the Department of Defense and Strategic Studies, Quaid-i-Azam University
  - Taught Master of Strategic Studies and Master of International Relations students
- Spring 2007     **Pakistan Military Staff College**     Quetta, Pakistan  
*Guest Lecturer*
- The Pakistan Military Staff College regularly invites instructors to teach and evaluate military officers for their theses

## MOEED WASIM YUSUF

- Lectures entail topics relating to Pakistan's geo-strategic concerns; I focused on Pakistan's energy interests in Central and Western Asia

Jan 2007

### **Center of Excellence- Defense Against Terrorism (COE-DAT)** Ankara, Turkey

- Lecturer on a course on "Legal Aspects of Combating Terrorism" involving NATO military officers and legal experts
  - Delivered lectures on "crimes by official forces" and "investigations of excesses committed by official forces"
- 

### **ACADEMIC HONORS**

- Boston University Graduate Research Abroad Fellowship, 2009-10
  - Boston University 'Outstanding Teaching Fellow Award', 2008-09
  - Boston University Department of Political Science Fellowship 2007-2011
  - Pi Gamma Mu International Honor Society annual alumni scholarship for an outstanding academic research paper, 2002
  - Presidential Award for Academic Excellence, Shorter College, 1999-2002
  - Dean's List at Shorter College, 1999-2002
  - Recognized by the Who's Who Among Students in American Universities & Colleges for outstanding Academic and Extra-curricular achievements, 2002
  - NAIA Academic All-American, 2001-2002
  - The Charles C. Thompson Award presented to an outstanding student of Economics, Shorter College, April 2001
  - Member of Pi Gamma Mu International Honor Society
  - Member of Alpha Chi National Honor Society
  - Member of Alpha Sigma Sophomore Honor Society
- 

### **ACTIVITIES**

- Columnist for *The Friday Times*. Articles have also appeared in *Himal* (Nepal), *Daily Times* (Pakistan), *Defence Journal* (Pakistan), *Pakistan Link* (USA), *Globe and Mail* (Canada), *Indian Express* (India), *Rediff* (India), *Sunday Indian* (India), *Huffington Post*, and *Brookings Institution* (USA).
- Professional presentations made in various academic and policy settings. Major venues include: SAARC chamber of commerce and industry, Partnership for Global Security, South Asia Free Media Association, Brookings Institution, Strategic Plans Division, Pakistan, U.S. Naval War College, U.S. Naval Post Graduate School, Turkish Center for Defense Against Terrorism, German Ministry of Foreign Affairs (track-II), Pugwash International, The NATO School (declined), South African Institute for International Affairs.
- Regularly appear on television and radio for analysis on Pakistan's political and security situation. Programs have appeared in the US (Fox News, Al Jazeera English, Voice of America, BBC, Wisconsin Public Radio, Minnesota Public Radio), Pakistan (Dawn News, AAJ TV, Geo News, TV One, Express News, SAMAA TV, Dunya TV), and India (ND TV).
- Evaluator for Voice of America TV Programming (2009).
- Member of the Editorial Board of the *International Journal of Human Development*
- Member of the Government of Pakistan's Medium Term Development Framework 2005-2010 working group on poverty alleviation.
- Member of the Advisory Panel for a WWF, World Bank, and Netherlands Ministry of Foreign Affairs global project on "Trade Liberalization, Rural Poverty and Environment," 2005.

- Fluent in speaking English, Urdu, and Punjabi.
-
